SCHOONER BURNS TO WATER'S EDGE

Fire Caused by Spontaneous Combustion—Vessel Is Total Loss.

[Special to The Times-Dispatch.] Onancock, Va., November 23.—The three-masted schooner Joel N. Shepherd, of Philadelphia, with a cargo of fish chum, was totally destroyed by fire on Pungoteague Creek, near Harborton, Tuesday afternoon. The vessel was loaded at the wharves of the Harborton Oil and Guano Company two weeks ago, and in making sail for the voyage grounded on the opposite side of the creek, where it remained until Tuesday. The hatchets in the quantity were kept batted down, and on being removed shortly after she floated, flames burst from the hold, soon enveloping sail, rigging and hull. The vessel and cargo were valued at \$10,000, and a total loss. The fire was undoubtedly due to spontaneous combustion.

L. Paul Jones and Miss Lucille F. Wallace were married in Baltimore Saturday. Miss Wallace is from Warsaw. They will reside with Mrs. L. A. Wallace, the bride's grandmother.

Messrs. Marsh & Brother, of Chesconnessex, have made an assignment for the protection of all creditors to Warner Ames, trustee. A similar deed has been made to George L. Doughty, Jr., trustee, by L. Douglas Milliner, of Accomac. The liabilities of the first named probably will reach \$15,000. Those of the second are not so large.

Nevin-Powell.

[Special to The Times-Dispatch.] Eastville, Va., November 23.—The marriage of Miss Gladys Powell, the

daughter of Mr. and Mrs. E. T. Powell, of near Keller, to Frederick M. Nevin, of Pittsburgh, took place recently in the Wachapreague Presbyterian Church, Rev. Charles Friend, the pastor, officiating. The church was decorated in potted plants and cut flowers. Miss Louise Powell rendered the music and Miss Doris Nevin sang the wedding hymn. The other attendants were Miss Margaret Nevin, Miss Doris Young, Miss Estelle Abell, Miss Frances Smith and Miss Mary McSpadden and Edward Cunningham, Robert Cunningham, Joseph Savage, Paul Powell and Mr. Harry White. The bride entered the church with her father, and Mr. Nevin was accompanied by Edwin Kowell, Jr., as best man.

Following the ceremony the couple took the New York express for a tour.

CIVIC CLUB MEETS.

Feature Is Address by Dr. Anne Humphreys, of College Faculty.

[Special to The Times-Dispatch.] Fredericksburg, Va., November 23.—The members of the Civic Betterment Club of this city, had a largely attended meeting yesterday afternoon in the rooms of the Business Men's Association. The special feature of the meeting was an address by Dr. Anne Humphreys of the faculty of the Fredericksburg State Normal School. Dr. Humphreys' address was very interesting.

A meeting of the committee on buildings and grounds of the Fredericksburg State Normal School was held last night at the school, attended by Dr. J. A. C. Chandler, and P. J. White, of Richmond; Hon. George C. Round, of Manassas; Alden Bell, of Culpeper, and C. O'Connor Goodrick, of Fredericksburg. Others present were President E. H. Russell, of the school; Mr. Robinson, of Richmond, the architect, and the contractors, and matters were gone into looking to the erection of additional buildings and to the improvement of the grounds.

JAMES RIVER WILL RECEIVE \$70,000

That Amount Recommended for Improvement of Stream—Other Appropriations for Virginia.

Washington, November 23.—Estimates for continuing the work of river and harbor improvement throughout the country, made public at the War Department and covering the fiscal year ending June 30, 1913, show a strict adherence to the new administration policy of asking Congress to appropriate only for those improvements which have received the approval of the army corps of engineers after the most thorough investigation. No new projects of any great importance are provided for in the estimates, and unless Congress takes the bit in its teeth and disregards the recommendations of General W. H. Bliss, chief of engineers, the "pork barrel" method of river and harbor work will have been eliminated for a second year.

The appropriations asked for aggregate \$29,625,598, as against \$30,095,638 for the current year. The estimates will be sent to Congress by the Secretary of the Treasury, and President Taft in his message will urge that they be strictly adhered to.

Following are the estimates for Virginia, North Carolina and South Carolina:

Virginia—Mattaponi River, \$10,000; Rappahannock River, \$5,000; Millford Haven harbor, \$5,000; James River, \$70,000; Norfolk harbor, general improvement, \$2,000; Hospital Point, \$2,000; harbor at Norfolk and approaches thereto and the channel to Newport News, \$454,500; Pagan River, \$1,000; inland water route from Norfolk through Currituck Sound to Albemarle Sound, N. C., \$3,000.

North Carolina—Scuppernon River, \$2,000; Shallowbag Bay, \$1,000; Fishing Creek, tributary of Tar River, \$1,500; Pamlico and Tar Rivers, \$6,000; Bay River, \$1,000; Croatan River, \$2,000; Neuse and Trent Rivers, \$10,000; Swift Creek, \$500; Pamlico Sound, Beaufort Inlet inland waterway, \$2,000; Beaufort harbor, \$5,000; Beaufort Inlet, \$10,000; Morehead City harbor, \$1,000; New River, including inland waterways between Beaufort harbor and New River, and between New River and Swanboro, \$7,500; North-east and Black Rivers and Cape Fear River above Wilmington, \$12,000; Cape Fear River, above Wilmington (locks and dams), \$50,000.

South Carolina—Waccamaw River, \$35,000; Great Pedee River, \$10,000; Winyaw Bay, \$12,000; Santee, Wateree and Congaree Rivers and Estherville Minim Creek Canal, \$64,000; inland waterways between Charleston and Alligator Creek, \$15,000.

Minister's Condition Serious. [Special to The Times-Dispatch.] Cape Charles, Va., November 23.—Rev. Mr. Saunders, a Baptist minister of Charlottesville, was stricken with apoplexy this afternoon and fell to the floor. Physicians were summoned and he was removed to the Virginian Hotel, where he was stopping. His condition is reported as critical.

MEDICAL SOCIETY HOLDS MEETING

Interesting Papers Read—Prominent Farmer Victim of Epilepsy.

Harrisonburg, Va., November 23.—With about thirty delegates present from seven or eight Valley counties, the Shenandoah Medical Society, which was organized about a year ago, held its meeting here in the Kavanagh Hotel parlors. Three new members were added to the roll.

On the program were the following speakers: Dr. Allen Freeman, of Richmond, on "The Hygiene of Tuberculosis"; Dr. A. M. Shipley, of Baltimore, on "The Surgical Aspects of Tuberculosis"; Dr. Gordon Wilson, of Baltimore, on "The Medical Aspect of Tuberculosis."

The next meeting will be held in Winchester. Peter R. Pulse, fifty-four years old, a well known farmer, business man and former rural mail carrier, left his house near Linville yesterday afternoon to feed his hogs. Fifteen minutes later his wife found his dead body lying in a shallow pond near the barn. Subject to epilepsy, he, it is thought, was seized with a sudden attack and fell into the pond and was drowned. Scars and bruises on his face bore evidence of his struggling to save himself. He was a member of the Harrisonburg fire company, a Pythian, and a member of the Methodist Church. He leaves his widow and one daughter.

John W. Wise, fifty-two years old, was stricken while at work in his yard yesterday near Keezletown. He was taken into the house, but died before the arrival of a physician. He was a farmer. He leaves his widow and several children.

BIG CELEBRATION AT SOUTHPORT

Exercises in Connection With Completion of the First Railroad Line.

Wilmington, N. C., November 23.—Celebrating the arrival of the first passenger trains over a new line of railway just completed from this city by the Wilmington, Brunswick and Southern Railway Company to deep water terminals at Southport, N. C., more than 5,000 people gathered here to-day and listened to addresses by United States Senator F. M. Simmons, Governor W. W. Kitchin, of North Carolina; Congressman Hannibal L. Godwin, of the Sixth North Carolina District; President Z. W. Whitehead, of the railroad company; Mayor Joseph B. Smith, of Wilmington, and other prominent men of the State, who laid particular emphasis upon the significance of the celebration, in that it afforded North Carolina a deep water harbor entitling the State by rail connection to a freight rate basing point that will result in the saving of thousands of dollars annually to shippers in the territory affected. Southport served to visitors a North Carolina barbecue, and entertained handsomely with a program of field and aquatic sport, participated in largely by United States regulars from the army post at Fort Caswell, just across the bay from the town. The navy was represented by the torpedo boats De Long and McDonough, while the United States revenue cutter Seminole was at the disposal of the distinguished visitors there for the occasion.

Other speakers were Congressman Holland, who said his district, the Second Virginia, is the best in the Union; Republican National Committeeman Alvan H. Martin, Postmaster Quimby and President Shoop, of the Board of Trade. A luncheon followed.

FORMER OFFICER HELD.

Charged With Stabbing Man With Intent to Kill—Survey of Lands.

[Special to The Times-Dispatch.] Bristol, Va., November 23.—Marion Wilson, a former policeman of Johnson City, Tenn., has been held to court here on the charge of having stabbed Charles Sellers, a young man, with intent to kill him. Sellers was stabbed in the left breast, the knife blade penetrating the lung. Wilson escaped to the Tennessee side following the stabbing, but was arrested on a fugitive warrant and later brought across the line by a requisition process. Wilson was at one time one of the most prominent and active members of the Johnson City, Tenn., police force. Wilson's bond is placed at \$2,500.

As an evidence that the government expects to include many thousands of acres of the picturesque region of White Top and the Balsam Mountain, its surveys are now busy with the task of running out the boundaries proposed to be included in the pending deal between the government and the Douglas Land Company. Persons familiar with the negotiations say that this deal will undoubtedly be consummated at an early date. The president of the Douglas Land Company is Douglas Robinson, of New York, a brother-in-law of former President Roosevelt. The first consignment of heavy locomotives and steel cars recently ordered
